

Social Media Storyteller

Project Title	Social Media Storyteller
Project Summary	The goal of CSO's social media platforms is to inform the publics via social media in short concise language. The purpose of this internship will research and draft social media content for Facebook and Twitter on a weekly basis.
Country	United States

Project Description

CSO uses social media to inform the public on CSO's senior leadership engagements (e.g., speeches, panel discussions, bilateral meetings, conferences, etc.) in concise language that illustrates the policy linkages for these engagements. The intern will track CSO Front Office engagements, research and understand relevant USG policy, and draft text and identify photos for social media content to be posted on Facebook and Twitter in a timely manner.
